The Gadget Helper program can help patrons with topics from learning to navigate the basics of a new device to downloading ebooks and accessing online resources and even troubleshooting hardware and software issues. Call the library to book an appointment!

PFC Family Pool Passes for Loan
Thanks to a generous donation from the City of Temiskaming Shores' Recreation Department, the Library now has two family pool passes for loan! The passes can be borrowed for 7 days, and allow a family (up to 5 people) free access to the pool at the Waterfront Pool and Fitness Centre. Borrowers may take the passes two times in a 12 month period. Holds can be placed on the passes to plan ahead, but there are no renewals.

CO2 Sensor Lending Program
Curious about the air quality in your indoor spaces? The library has CO2 Sensors for loan. CO2 is a gas that is produced when people exhale. As more people remain in a room, CO2 levels increase quickly if there is not enough fresh air coming into the space. High indoor CO2 levels can cause tiredness, headaches and other symptoms, and indicate that a space is not well ventilated. High CO2 levels can also facilitate the spread of airborne infections. The devices are not CO (Carbon Monoxide) detectors and are not life safety devices.

Family Story Time
The Library will be holding a few Family Storytimes this winter/spring season. You're never too old to enjoy a story being read aloud so drop into this Storytime program that is great for the whole family
