Flooding and Fire Safety

Keep fire safety in mind during flooding situations
Flooding is a significant natural hazard in Ontario that can happen at any time. Heavy rains, rapid snowmelt, spring break-up and ice jams, wind-related storm surges across large lakes or the failure of dams can all cause floods.

Power outages can often occur in association with flooding conditions. The Office of the Fire Marshal and Emergency Management offers the following fire safety tips if power outages occur during a flood:

- To reduce fire risk, use flashlights, glow sticks, or battery-operated lanterns instead of candles.
- If using candles, place them in a secure holder and cover with a glass chimney, away from children and pets.
- Make sure electric stove elements and small appliances are OFF or unplugged to prevent fires from occurring when the electricity is restored.
- Propane and charcoal barbecues are for outdoor use only. Do not bring them inside.
- Make sure your home has battery-operated smoke alarms and carbon monoxide alarms. Electrically-connected smoke alarms and carbon monoxide alarms will not work when the power is out unless they have battery back-ups.
- Use only portable space heaters that have been designed for indoor use. Provide adequate ventilation and refuel the heater outside, when required.
- Portable generators should only be used outdoors and carefully located to ensure that exhaust fumes do not enter the home.

Electrical Safety
Electrical equipment impacted by flood water can be extremely dangerous.

Soup to Tomatoes Seniors' Exercise Group

ARE YOU AN OLDER ADULT? Are you hoping you can keep your strength and stay independent? Do you struggle with mobility, standing, regular exercise? Would you enjoy social time with others? Join us in the Programming Room of the Library for this FREE group chair-based exercise class for seniors. For more information contact Eleanor Katona at 705-647-8002

Board Game Day

Bored? The Temiskaming Shores Public Library is always excited to see new and familiar faces. Saturday, April 13th the library will be having a Board Game Day from 11:00 am – 3:00 pm in our programming room. Feel free to stop by and try out any of our board games! No registration required. Come have some fun!

Gadget Helper

Do you need some help with your tablet or device? If so, you can book a FREE Gadget Helper appointment at the library! We offer weekly 45-minute one-on-one timeslots on Thursdays. The Gadget Helper program can help patrons with topics from learning to navigate the basics of a new device to downloading ebooks and accessing online resources and even troubleshooting hardware and software issues. Call the library to book an appointment!

PFC Family Pool Passes for Loan

Thanks to a generous donation from the City of Temiskaming Shores' Recreation Department, the Library now has two family pool passes for loan! The passes can be borrowed for 7 days, and allow a family (up to 5 people) free access to the pool at the Waterfront Pool and Fitness Centre. Borrowers may take the passes two times in a 12 month period. Holds can be placed on the passes to plan ahead, but there are no renewals.

Public Works Services

Hydrant Flushing | April 2024

Hydrant Flushing is conducted semi-annually as part of the Water Maintenance Program. These operations are carried out typically in April and October of each year.

During this time customers may experience discolored water. If you do, it would be advisable to refrain from doing laundry or using hot water until the water clears. The Public Works Operations Staff makes every effort to maintain the designated schedule. Your co-operation is appreciated.

Further information will be provided about the April Hydrant Flushing

Transportation

Decommissioning Winter Operations

The winter season has come to an end and city staff are performing tasks to decommission winter operations. Thank you for your cooperation in helping keep our streets clear and safe this Winter Season.

Complete

Overnight Parking Prohibited

November 1, 2023 to March 31, 2024

Winter Maintenance Season

November 1, 2023 to April, 2024.

In Effect

Weather Monitoring Season | October 1 to April 30.

The minimum standard is to monitor the weather, both current and forecast to occur in the next 24 hours, once every shift or three times per calendar day, whichever is more frequent, at intervals determined by the municipality.

Spring Maintenance Activities

- ◆ Half Load Restrictions
- ◆ Street Sweeping and Spring Clean Up
- ◆ Lawn Repairs
- ◆ Road Repairs
- ◆ Sidewalk Repairs

For further information, visit the city website.

Half Load Restrictions in Effect

March 6, 2024 until June 30, 2024, unless indicated otherwise.

When half-load restrictions are in effect, a road is off-limits to vehicles exceeding 5 tonnes per axle. However, there may be alternate routes that can be taken to reach a destination.

Why

Roads become softer and weaker during the spring thaw. Heavy vehicle traffic on these roadways can cause permanent damage. Following the half-load restrictions reduces the potential for any unnecessary road repairs or reconstruction.
