

Welcome To

THE CARTER ANTILA MEMORIAL SKATE PARK

For those who don't know the story, and for those who like to reminisce about the journey leading to this park's creation, here it is...

Carter Antila spent much of his life riding on concrete and snow. His smile—playful, care-free, and contagious—spoke volumes. He embraced life's adventures and lived them to the fullest. All who had the good fortune of meeting him, and the many who were lucky enough to be friends, would agree that he was one-of-a-kind.

The Harder 4 Carter Committee was formed in August 2011, shortly after Carter's passing. The Committee was determined to construct a lasting memorial—and in realizing Carter's dream, create a Park for all who share Carter's spirit to enjoy. The community rallied behind the vision.

The term "Harder 4 Carter" was conceived by Mike Van Zeyl, to explain how he planned to live his life to honour his friend. It was soon adopted by the Committee and became a slogan for fundraising efforts—because that's what the Committee and the community did—they worked Harder 4 Carter to realize the goal.

You are now standing on our amazing accomplishment.

PLEASE TAKE A MOMENT TO LOOK OVER THE LIST OF SPONSORS. THEIR GENEROSITY ENABLED THIS PARK TO HAPPEN. WHEN YOU HAVE AN OPPORTUNITY, BE SURE TO THANK THEM.
