This Request for Proposal will be broken down into two (2) categories.

Temiskaming Shores has a population of approximately 9,634, according to the 2021 census. The City of Temiskaming Shores is governed by a seven-member Council comprised of 6 Councillors and 1 Mayor. The City also has various Committees of Council, with members appointed by Council.

The City of Temiskaming Shores' current contract to provide curbside refuse collection and transportation services and operating and maintaining the City's landfill expires December 31, 2024.

The City currently provides bi-weekly curbside refuse collection and transportation services to approximately 4500 residential/commercial properties. Each property has been issued a 65-gallon cart designed for mechanical curbside collection. Payment for services is done on a "per tip" basis.

In October of 2023, the City opened a new landfill located at 704165 Rockley Road in Temiskaming Shores. This landfill has a scale system as well as a bin deposit system in place. The general public deposit their waste in the appropriate bin and do not see the face of the landfill. The bins are then transported to the face for landfilling by the contractor when required.
