Blue Box Transition | Effective January 1, 2025

Transition to an enhanced blue box program is coming to Ontario, which will deliver a convenient, consistent, and effective recycling system that will improve recycling rates.

This transition is managed by Circular Materials—the administrator of the common collection system and a not-for-profit organization committed to building efficient and effective recycling systems in Ontario.

No changes for residents—you will still be able to recycle the same materials, and your collection day does not change!
