Blue Box Transition | Effective January 1, 2025

Transition to an enhanced blue box program is coming to Ontario, which will deliver a convenient, consistent, and effective recycling system that will improve recycling rates.

This transition is managed by Circular Materials—the administrator of the common collection system and a not-for-profit organization committed to building efficient and effective recycling systems in Ontario.

No changes for residents—you will still be able to recycle the same materials, and your collection day does not change!

Learn more at: www.circularmaterials.ca/temiskamingshores or visit the city website.

Public Notice | Date: December 13, 2024

Ontario Blue Box Transition - January 1, 2025

Industrial, Commercial and Institutional (ICI) Curbside Recycling Collection

As of January 1, 2025, Temiskaming Shores' recycling program will be managed by Circular Materials Ontario (CMO), under the requirements of the new Provincial Governments Blue Box Regulation 391/21. Within the regulation, CMO is not required to collect from any ICI establishments, however, will allow the ICI material to be mixed with residential material from January 1, 2025 until December 31, 2025.

Please visit the City's website for further information as to how this will affect your establishment should you be part of the current curbside recycling collection program.

The City of Temiskaming Shores is committed to investigating options moving forward as it is recognized that the new Provincial Blue Box Regulation will have financial implications to the ICI establishments currently part of the program.

The library's digital literacy sessions are for patrons looking to access help to learn how to use their e-readers, tablets, laptops and other devices. Anyone can make an appointment to learn more about using their smart device. Staff will provide their knowledge and expertise to assist you, and if they are unable to address the issue, will provide guidance for patrons as to where they can go for additional services. Digital literacy session appointments run at 45-minute intervals to provide specific one-on-one help addressing a patrons' specific question or troubleshooting issue.

PFC Family Pool Passes for Loan

Thanks to a generous donation from the City of Temiskaming Shores' Recreation Department, the Library now has two family pool passes for loan! The passes can be borrowed for 7 days, and allow a family (up to 5 people) free access to the pool at the Waterfront Pool and Fitness Centre. Borrowers may take the passes two times in a 12 month period. Holds can be placed on the passes to plan ahead, but there are no renewals.
